## Gowrie Group Ranked #1 in Connecticut.

### Westbrook, Connecticut:

For the third year in a row, Gowrie Group, a leading insurance, employee benefits, and finance company, was named to the prestigious, national list of the Top 100 Privately-held Property/Casualty Agencies. And for the second year, Gowrie was ranked as the top agency in Connecticut, which maintains our position as #1 in Connecticut! Gowrie was also among the 45 companies on the list who actually grew their business, year over year, despite the economic recession.

Ed Gumbrecht, the Chief Operating Officer of Gowrie Group shares his thoughts on this accomplishment. *"We feel very proud to be named to this national list for three years in a row. Being #1 in Connecticut for the second year really shows that Gowrie is not only a strong player in the nationwide marketplace, but also CT's premier insurance agency."*

This nationwide list is calculated and reported by the Insurance Journal, which ranks independent agencies by their total property/casualty premiums.

The Gowrie Group provides insurance, benefits, and financial services to individuals and businesses throughout the US, and specializes in customized business, home, auto, and marine insurance products and services.
