

Marinalife Hosts Best Marina Contest
*Marinalife Members Vote for Best Transient Marina
and Marina With the Best Customer Service*

For Immediate Release

February 24, 2010

Baltimore, MD—In celebration of its 10th anniversary, Marinalife is holding a contest that features the very essence of its business—marinas. Members of Marinalife are invited to vote through April 30 and marinas are encouraged to have their slipholders and transient guests register for free on marinalife.com so they can cast their vote. Members can vote for the Best Transient Marina and the marina with the Best Customer Service. Voting can be done at marinalife.com or by emailing info@marinalife.com.

There are over 8600 marinas in the Marinalife database that cover the cruising areas of the U.S., Canada, Bahamas, Caribbean, and Central America. The cruise planning and concierge team at Marinalife is dedicated to their marina customers and ensures that the marina listings are as informative and current as possible for cruisers. The Best Marinas Contest is an opportunity for the Marinalife members to help recognize the marinas they have connected with as a result of Marinalife's concierge services. The winning marinas will be announced in May and featured in the *Marinalife Magazine* Summer issue.

Whether a voter is a seasonal slipholder, year round marina resident, or simply a transient guest of a marina, the Best Marinas Contest is a chance to highlight the marinas that have gone above and beyond in the categories of Transient Service and overall Best Customer Service. One of Marinalife's core values is that of service which they provide through innovative trip-planning tools, a comprehensive reservation system, a toll-free reservation number, preferred dockage and fuel rates for members, and online features such as fuel pricing alerts and marina reviews.

Marinalife's 10th anniversary is a great milestone for the company which is continuously expanding its online resources which make the site a one-stop-shop for boaters. The Best Marinas Contest is just one of several celebrations that will be connecting the marina and boater communities that make-up marinalife.com. Marinalife founder, Joy McPeters says, "We have tons of amazing marinas in our database and while we think we know our marina clients well it is really our boating members who have firsthand experience with these marinas. We're excited to see which ones cruisers put at the top of their list."

The Best Marinas Contest is open for voting through April 30 and voting can be done on the home page of Marinalife.com or by emailing votes to info@marinalife.com.
