TIGÉ BOATS ANNOUNCES NEW DEALER IN SOUTH AFRICA

ABILENE, TX – Tigé Precision Inboards of South Africa has joined the worldwide network of authorized Tigé dealerships.

Located in Vanderbijlpark South Africa, Tigé Precision Inboards serves the Johannesburg area. Several models of the 2010 Tigé have shipped from the Tigé Boats Abilene, Texas factory and will arrive at Tigé Precision Inboards of South Africa very soon. The dealership will also provide authorized service and support to local Tigé owners. If you are interested to see the 2010 Tigé, stop by the dealership at 38 Windsor on Vaal, Vanderbijlpark South Africa or contact Shaun Faccio at 27169873236.

Tigé Precision Inboards of South Africa is the latest international dealership to join the Tigé family, which has seen healthy growth worldwide since the introduction of the innovative 2010 Tigé model lineup. Among the new features for 2010 is the advanced TigéTouch interactive operating system, the world's first fully functional touch-screen control designed specifically for inboard watersport boats. The overwhelming response to TigéTouch and other 2010 product refinements have created considerable interest among retail customers and prospective dealers.
